Elite Sparring Divisions

The Canadian Open has built a reputation as Canada’s number one event for point sparring. The Elite division is open to all Black belts or advance belts. The WKC International rules will be used. They include: all matches are two 2 minutes rounds, and all matches must be won by two points. This year we are also adding 16yrs-19yrs category, in an attempt to develop our junior competitors as they transition to adult.

| Division | Prize Money |

| Men 18years and older | \$2000 – 1 st / \$500 -2 nd / \$100 – 3 rd /\$100-3rd |

Elite Kata and Weapons

This is a unique competition offered at the Canadian Open for all kata and weapons competitors. The competition is divided into Traditional and Open. In either category a competitor has the option to use a weapon or empty hand. In the Open category they can also use music. Competitors start by competing in random order. Then the top 8 advance to the “knockout” round. This is the round where competitors go “head to head” performing the same or a different kata. The 1st seed competes against the 8th seed, 2nd against the 7th, just like sparring. The final two compete for the championship. The competition is very interesting and rewards multi-talented competitors.

Team Fighting

One of the most exciting events at the Canadian Open is the Team Fighting categories. All Team matches are decided by total points after the 4 fights in adult and 3 fights in junior. This guarantees that every team member has a match.
