Open Weight Sparring

All Black belt or advanced competitors have an opportunity to not only compete in their regular sparring category on Saturday, but to also compete in the open weight categories held on Friday night. Winners of these divisions will receive a special OPEN WEIGHT CHAMPIONS JACKET! Adult also receive \$500 cash.

2 Person Team Fighting

This competition is designed to give our point fighters another opportunity to compete. Each member of the 2 person team fights for 90 seconds. The total score after the second match determines the winner. Of course the winning team must win by 2 points.

Junior Traditional Challenge

This event is for are well rounded traditional competitors. Competitors compete head to head through a random draw, just like sparring. Competitors each perform a traditional kata and the judges point to the winner who advances. Competitors may do hard style kata, classical kata or a traditional weapons kata. Competitors can only do a kata once. They must change katas each round. After 4 rounds competitors can repeat their katas if they wish.
